

Alejandro Vannelli

Representante Artístico

Dear Joseph Peters,

We have read your script and I we wish to state with this letter that we would be interested in working on the feature film project titled: "Blood on the Streets".

We are speaking in the name of Rodrigo Aragon as his artistic managers.

This statement will be confirmed by contract, when we arrange terms, conditions and wages.

We expect to meet you soon.

Truly yours,

Alejandro Vannelli and Horacio David.
